

[How To Update Avast Free Antivirus](#)

The screenshot shows the Avast Free Antivirus user interface. On the left is a vertical sidebar with navigation options: SUMMARY, SCAN COMPUTER, REAL-TIME SHIELDS, ADDITIONAL PROTECTION, MAINTENANCE (highlighted in orange), Update, Registration, and Virus Chest. The main content area is titled "Update" and contains the following information:

**Update**  
It is vital to always keep your security software up-to-date. While avast! is pre-set to u  
the updates manually.

**Update engine and virus definitions**

Current version: 121128-0  
Release date: 11/28/2012 3:04:36 PM  
Last update attempt: 0 minutes ago

In addition to regular definition updates, avast! uses streaming updates to defend against the latest  
Streaming updates: Enabled  
Connection: Connection established  
Latest update received: 11/28/2012 5:45:33 PM

Two red arrows are overlaid on the image: one points from the "Update" section header to the "Update engine and virus definitions" button, and another points from the "MAINTENANCE" sidebar item to the same button.
